

Using your WeTeachNYC Profile

On the WeTeachNYC home page (weteachnyc.org), click the link at the top of the page to login with your NYCDOE or partner credentials.

Once you have logged in, you will see the homepage with your name in the upper right hand corner of the screen.

Click your name to see a dropdown menu and select 'view your profile'.

This is your profile page, visible only to you. It contains three sections:

- **Your Lists:** displays lists you have created to categorize your saved resources.
- **Lists You Follow:** shows the other educators lists that you have found helpful and decided to follow.
