**Logging into the WeTeachNYC for NYCDOE Employees**

The NYCDOE login is for current New York City Department of Education employees, and requires your NYCDOE username and password.

NYCDOE employees can log in to WeTeachNYC in three steps:

1. Select 'Log In' in the top right corner of any page. This will show a dropdown menu letting you choose between NYCDOE or Partner log in options. Choose 'NYCDOE Log In'.

2. Enter your NYCDOE email (without @schools.nyc.gov) and password.

3. Click 'Login'. You will automatically be redirected to the WeTeachNYC homepage as a logged-in user.

If you don't know your NYCDOE username/password or your password is not working, please follow the NYCDOE password reset process.

For immediate support, please call the Service Desk at 212-374-6646.

For questions or comments about WeTeachNYC, please contact us at WeTeachNYC@schools.nyc.gov.
