

Initial Community Set-Up

When you first enter your community, you will find a Community Quick Start Guide that walks you through five easy steps to start your community in about 10 minutes.

 **YOUR COMMUNITIES**

WeTeachNYC Sample Community

Facilitator | [Help for facilitators](#) ?

COMMUNITY GOAL [EDIT](#)

Use this space to articulate the overall goal of your WeTeachNYC Community and to explain how the community will be used to support this goal.

NEXT STEPS [EDIT](#)

- [Have a question? Add it to our support thread and a facilitator will respond.](#)
- [Upload an example of student work](#)
- [Tell us about how to applied your learning!](#)

WeTeachNYC Community Quick Start Guide

Follow these five quick steps to set up your community! It should take about 10 minutes.

Step 1: Create a community goal ([video tutorial](#))

Step 2: Create tags to organize your discussions and files ([video tutorial](#))

Step 3: Start a discussion ([video tutorial](#)) or add a file/video ([video tutorial](#))

Step 4: Create a next step ([video tutorial](#))

Step 5: Upload your community members and compose your launch message before giving community members access to your community ([video tutorial](#))

For more information, visit the Facilitator Help Center [here](#) or at the top of the page under your WeTeachNYC Community title. There you will find a host of resources with guidance for facilitators. For additional support, please email AGraddygame1@schools.nyc.gov.
